# 19 Make It at the Library 2014

2014

## Training Purpose:

Provide participants with the knowledge, resources, & skills to implement & evaluate formal & informal teen maker programming.

## Desired Outcomes:

By the end of the training, participants will:

1. Increase understanding of project goals & the relevance of making in the library.
2. Be knowledgeable of the nomenclature, building techniques, & curriculum in robotics kits.
3. Develop skills to implement formal & informal teen programs using robotics kits.
4. Improve knowledge of evaluation metrics & identify outcomes, indicators, & evidence for use in library settings.
